

Let us penetrate again into times that await neither an explanation nor a transformation of the world from the philosopher, but the construction of shelters against the inclemency of time. *Nicolás Gómez Dávila*

## AFTER DAVOS. THE PROPHECY OF ARMAND ROBIN REVISITED.

☛ The Programme through Time.

There will be the suppression of the Soul  
In the name of the Spirit,  
Then we will suppress the spirit.

There will be suppression of Common Land  
In the name of Property,  
Then we will suppress property.

There will be the suppression of Dictators  
In the name of Democracy,  
Then we will suppress democracy.

There will be the suppression of the Aristocracy  
In the name of the Bourgeoisie,  
Then we will suppress the bourgeoisie.

There will be the suppression of the Peasants  
In the name of the Workers,  
Then we will suppress the workers.

There will be the suppression of the Workers  
In the name of Individual Contractors,  
Then we will suppress individual  
contractors.

There will be the suppression of the Self-Build  
In the name of Architecture,  
Then we will suppress the architects.

There will be the suppression of the Teacher  
In the name of the School,  
Then we will suppress the school.

There will be the suppression of Gold  
In the name of the Banknote,  
Then we will suppress banknotes.

There will be the suppression of the Masculine  
In the name of the Feminine,  
Then we will suppress the feminine.

There will be the suppression of Birth  
In the name of Woman,  
Then we will suppress the woman.

There will be the suppression of the Species  
In the name of For Its Own Good.  
Then there will be nothing more to suppress.

*We are almost there.*

We call capital the real movement  
That suppresses the present state of things.

THE FRIENDS OF IL COVILE (2021)

## ☛ The Programme of a Few Centuries.

**T**HERE will be the suppression of Faith  
In the name of the Light,  
Then we will suppress the light.

There will be the suppression of the Soul  
In the name of Reason,  
Then we will suppress reason.

There will be the suppression of Charity  
In the name of Justice,  
Then we will suppress justice.

There will be the suppression of Love  
In the name of the Fraternity,  
Then we will suppress fraternity.

There will be suppression of the Spirit of Truth  
In the name of the spirit of Critique,  
Then we will suppress critique.

There will be suppression of the Meaning  
of the Word  
In the name of the meaning of words,  
Then we will suppress the meaning of words.

There will be the suppression of the Sublime  
In the name of Art,  
Then we will suppress art.

here will be the suppression of the Writings  
In the name of the Comments,  
Then we will suppress the comments.

There will be the suppression of the Holy  
In the name of the Genius,  
Then we will suppress genius.

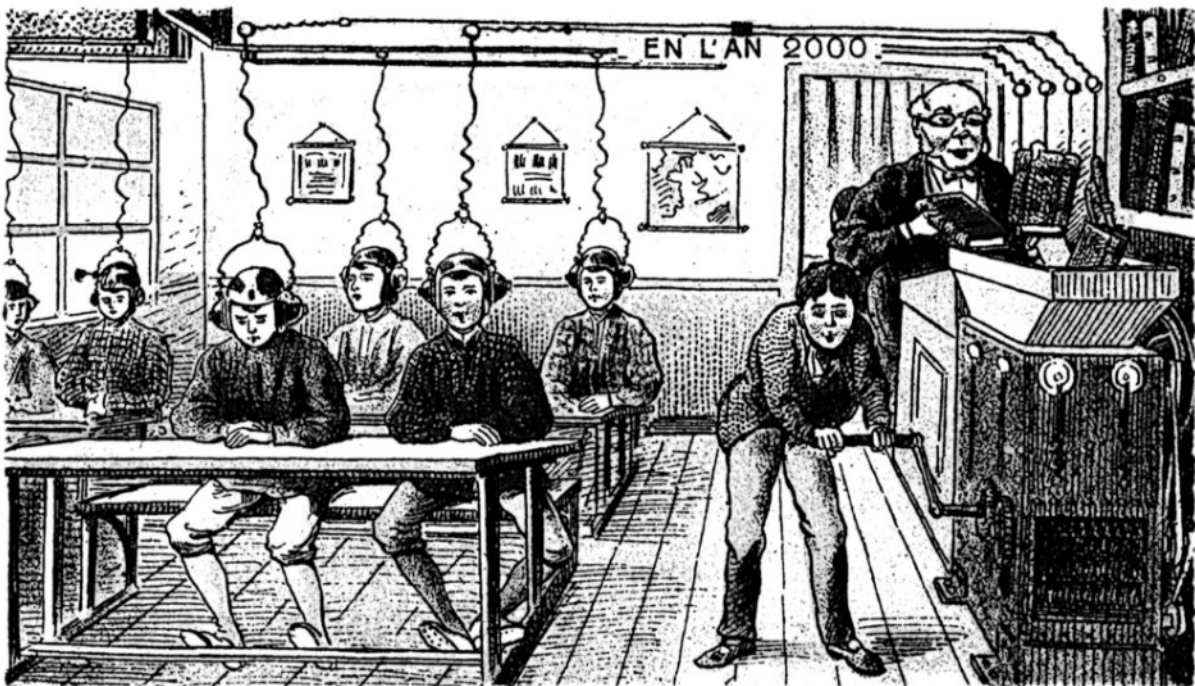

There will be the suppression of the Prophet  
In the name of the Poet,  
Then we will suppress poetry.

There will be the suppression of the Spirit  
In the name of Substance,  
Then we will suppress substance.

In the name of nothing there will be the  
suppression of the human;  
There will be the suppression of the name  
of the human;  
There will be no more names;

*We are here.*

ARMAND ROBIN (1945/46)

Jean-Marc Côté (1899).
